BULLETIN.

VICHY (P.)—Military information reaching Vichy tonight from the Russian front said seven German attacks had been stopped or slowed down by determined Russian resistance.

The following communiqué was issued after a secret meeting of the Riksdag (parliament):

"The Swedish government announced today that it had agreed to permit the passage of a limited number of German troops from Norway to Finland as the latter country took the spotlight in the day's war developments.

Troops totalling not more than one division will be allowed transit across Swedish territory, the Stockholm government announced.

The Germans will travel by the Swedish railways. The government said its action was taken after consulting parliament.

A communiqué said, however, that "Sweden will firmly pursue her efforts to maintain her liberty and independence and to stay outside warlike conflicts."

The following communiqué was issued after a secret meeting of the Riksdag (parliament):

"In the situation which has arisen through war breaking out between Germany and the U. S. S. R., Sweden will firmly pursue her efforts to maintain her liberty and independence and to stay outside warlike conflicts.

"The new situation has, however, confronted us with certain specific questions. Thus both from the Finnish and the German side a demand has been made for permission to transport a force not exceeding one division on Swedish railways from Norway to Finland. The government, after consulting the Riksdag, has agreed to this taking place in a form compatible with Swedish sovereignty.

Spokesmen of the Foreign Office, when asked about other questions, said there was no discussion of any but practical questions.

Finn Statement Awaited.

The statement of the Finnish government before Parliament, of measures it intends to take against "Soviet aggression," was still awaited, but D.N.B. official German news agency reported "rumors" from Helsinki that Russia has informed Finland she "cannot consider Finland as a neutral state."

Meanwhile Russia announced that she had been informed of Turkey's decision to remain neutral.

Tass, official Russian news agency, issued this statement:

"The Turkish Ambassador to the U. S. S. R., Haidar Akal, in his verbal note of June 25, communicated to the People's Commissariat of Foreign Affairs the following:

"The Turkish Embassy has the honor to inform the People's Commissariat of Foreign Affairs that the Turkish government has decided to remain neutral."

News Guild Demands C.I.O. Discipline Union Head

(Earlier story on Page A-3.)

DETROIT June 25.—The American Newspaper Guild (C. I. O.) called on its International Executive Board today to demand discipline by the C. I. O. of Frank Rosenblum of New York, acting president of the Amalgamated Clothing Workers (C. I. O.), for alleged strike-breaking activities.

Convention delegates adopted a Labor Relations Committee report condemning Mr. Rosenblum and three Amalgamated officers for "joining in strike-breaking and in contributing money" to the Jewish Day of New York, a newspaper. The guild called a strike against the Jewish Day in February.

David Dubinsky, president of the International Ladies' Garment Workers (A. F. of L.), also was condemned for "repudiating the Jewish Day strike."

Earlier, Milton Kaufman of New York, executive vice president of the guild, announced support of the guild administration for a proposal to elect officers by membership referendum instead of vote by convention delegates.

An "anti-administration" group supporting Milton Murray of Detroit, to replace Donal M. Sullivan of Boston, as president, previously announced it would back the referendum method.
